GOVT. COLLEGE THACHI MANDI, H.P.

Report

As per the government's directive, every college is required to adopt five schools to provide academic support and guidance. Under this initiative, **Government College Thachi** conducted an **educational lecture** at **G. S.S.S Thachi**.

In this program, the **Principal of Government College Thachi, Dr. Deep Kumar**, delivered a lecture on the importance of higher education, future opportunities, and various career pathways available to students. He encouraged the students to aim higher in their academic journey and highlighted how higher education can open doors to multiple life opportunities.

Students and teachers from both the school and the college actively participated in the session. The students showed great enthusiasm and interacted through questions and discussions.

This initiative proved to be a meaningful step toward creating awareness about higher education and guiding the students for a better future.
