Report on Plantation Drive Organized by Eco Club Government College Thachi

The Eco Club of Government College Thachi organized a plantation drive as on dated 21-08-2024 to promote environmental awareness and enhance the green cover of the campus. The event was successfully conducted under the guidance of the Principal, Dr. Deep Kumar, and the Eco Club In-charge, Mr. Tikam.

All students and faculty members actively participated in the activity with great enthusiasm. The plantation work was carried out as per the instructions of Forest Guard Shri Deepak Ji, who guided the participants about proper planting techniques and the care required for the saplings.

Various local plant species were planted in and around the college premises. The event helped in spreading awareness about environmental protection and encouraged students to take responsibility for conserving nature.

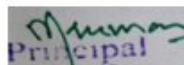

The Eco Club aims to organize more such eco-friendly activities in the future.
